

GLP-1 Users: Medicare Plan Comparison Checklist

If you're taking a GLP-1 covered through Medicare Part D, check these details before enrolling in a new standalone Part D or Medicare Advantage plan.

Medication: _____

Plan: _____

☐	Medication coverage Confirm that the plan covers your exact GLP-1 medication, dose, and medical use.
☐	Drug tier Check the formulary tier and what you would pay for each medication fill.
☐	Coverage rules Ask about plan requirements regarding prior authorization, step therapy, and quantity limits.
☐	Total yearly cost Compare plan premiums, the drug deductible, and all prescription costs to estimate your total out-of-pocket costs for the year.
☐	Pharmacy network Make sure your pharmacy is in network and compare preferred and mail-order prices.
☐	Provider network With Medicare Advantage, confirm that your preferred providers, specialists, and hospitals participate.
☐	Changes for next year Read your Annual Notice of Change for updates to plan costs, coverage, and networks. These take effect Jan. 1.
☐	Free Medicare help Ask a SHIP counselor to help you compare plans and check the details. Find your local SHIP at shiphelp.org or call 1-877-839-2675.
