

Keeping Medicare Affordable in Oregon

Every day, the [Medicare Improvements for Patients and Providers Act](#) (MIPPA) helps people with Medicare afford their prescriptions, premiums, and doctor visits.

Who MIPPA Helps in Oregon

41,958 Medicare beneficiaries connected to benefits¹

242,262 Medicare beneficiaries living at or below \$23,475 (150% of the federal poverty level)

Sean's Story

Sean, who was turning 65, was overwhelmed with mailings about having to pay his Part B premiums. He got connected to Oregon Medicare Savings Connect and was determined eligible for a Medicare Savings Program. Sean learned that he was eligible for premium and co-pay assistance, and he was automatically enrolled into the Medicare Low-Income Subsidy to help pay for his medications.

What MIPPA Does

Connects eligible individuals to benefits like the Medicare Savings Program and Medicare Part D Low-Income Subsidy, which help pay for prescription drugs, premiums, and copays

Promotes preventive health services and screenings

Keeps older adults healthy and out of hospitals

¹ Data from 10/1/24 to 9/30/25 from SHIP Tracking and Reporting System and BenefitsCheckUp.

Government Savings

Research shows that having prescription drug coverage through Medicare Part D could reduce hospitalization rates by 7%². With an average Medicare hospital stay costing \$14,700³, connecting individuals to prescription drug coverage could create significant health care savings for the federal government.

Individual Savings

In 2025, MIPPA saved individuals \$8,400 annually in out-of-pocket health care costs. With the average monthly Social Security payment at \$1,990 in Oregon⁴, MIPPA can significantly improve older adults' budgets.

MIPPA Funding for Oregon

Each year, MIPPA provides \$770,812 in funding to state and area agencies on aging (AAAs) and local nonprofit organizations.

How MIPPA is Delivered in Oregon
